

# TENNESSEE WOLVERINES GIRLS HOCKEY

## 2026-2027 SEASON PROSPECTUS

# LETTER FROM THE DIRECTOR

**Greetings Current and Future Wolverine Families,**

**As we look towards the 2026-2027 hockey season, we are incredibly excited about the continued growth of the Wolverine program and the strong community that has formed around it. What we are building together is more than just a hockey team—it's a place where players are challenged to grow, compete, and discover what they are capable of both on and off the ice.**

**Just four years ago, the Wolverines were founded with a simple goal: create an opportunity for all Nashville girls to play hockey. What started as a request from a small group of high school players for extra ice time has quickly grown into one of the fastest-growing girls' travel hockey programs in the Southeast!**

**For 2026-2027, the Wolverines will continue to offer teams for girls ages 5 through 19, compete in the newly renamed United States Girls Hockey League (USGHL), and continue expanding opportunities for player development and competitive play by hosting full-time AA teams for the first time in program history!**

**Our goal remains simple—create a positive environment where our girls can have FUN, develop their skills, build confidence, and grow as teammates and leaders.**

**What makes the Wolverines special goes far beyond the ice. It's the friendships built in the locker room, the pride of wearing the Wolverine jersey, and the shared experiences on and around the rink that create lifelong memories for our players and families.**

**To our returning families, thank you for being part of this amazing journey. To those considering joining the Wolverines, we welcome you and invite you to be part of something special.**

**We look forward to another exciting season ahead. 2025-2026**

**See you at the rink!**

---

**Ethan Burau**  
Hockey Director, Head coach 14U AA & 16U AA

FOUNDATION

# THE WOLVERINE WAY

**The Tennessee Wolverines Girls Hockey Club is a Nashville-based nonprofit dedicated to developing girls hockey across the Southeast. As we gear up for the 2026-2027 season, the Wolverines are expanding opportunities for girls to compete, grow, and thrive through the sport of hockey. The Wolverines combine high-level competition with inclusive, family-focused programming, creating a pathway for players of all skill levels to reach their full potential.**

## OUR MISSION

**At the heart of the Wolverines is a bold mission: to remove barriers that prevent girls from playing hockey while fostering an environment where athletes develop confidence, leadership, and a lifelong passion for the game. We believe that when girls are empowered to compete, challenge themselves, and work together toward shared goals, they gain skills, and develop character that extend far beyond the ice.**

**We are more than a hockey program. The Wolverines cultivate young women who embody hard work, resilience, teamwork, and respect, preparing them to be leaders within their schools, teams, and communities.**

## JOIN THE PACK

**As girls hockey continues to grow nationally, the Tennessee Wolverines are proud to lead that growth in our region.**

**Whether you are new to the game or an experienced competitor, the Wolverines provide the platform, coaching, and community to take your hockey journey to the next level!**

**Practice player spots are available for newer skaters.**

## **ADDITIONAL SEASON DETAILS**

**The Tennessee Wolverines 2026-2027 season will run from August 2026 through March 2027.**

**All Wolverines teams will be participating in the United States Girls Hockey League (USGHL), a Tier-II, girls hockey league based in the central and eastern United States with teams located in Illinois, Indiana, Georgia, Missouri, North Carolina, Ohio, and Tennessee.**

**To help keep the costs lower for our families, the Wolverines aim to keep the bulk of their travel destinations within driving distances. Most of our games will be played on Saturdays and Sundays only to keep the total amount of school missed by our players to a minimum throughout the hockey season.**

## **Community Outreach**

**The Wolverines believe in developing well-rounded athletes and fostering connections beyond the ice. Our players and families engage in team-building events, community service, and off-ice gatherings throughout the season.**

**Join the Wolverines off-the-ice with the:**

**Franklin Christmas Parade  
Williamson County Humane Society  
WMB Foundation**

## **Rink Information**
